Official News Letter of the Mississippi Order of Confederate Rose

Volume 3 / Issue 4 (October 2021-November 2021)

The Mississippi Society Order of the Confederate Rose was established in 1993 for the sole purpose of assisting the Mississippi Division, Sons of Confederate Veterans with their Historical, Educational, Benevolent, and Social functions. Special emphasis is placed on the preservation of the Confederate symbols. As there are few rules and restrictions to stifle the creativity of its members, the Order of Confederate Rose chapters are free to focus on the activities that are important to its members and the local SCV camps, along with supporting the State society.

"We are people who are bound to our ancestors. Though we cannot look into their eyes, or hear their voices we still honor their memory and remember their bravery"

- Unknown

October is over already?! How did that happen?

Fall Muster is one of the biggest events that the Ms. OCR is a part of. Like I've said in the past, it's like a big Family reunion!

If you missed this year, you really missed a good one! We can't wait until next year.

The Mississippi OCR is always busy! Lots of meetings, memorials and marker ceremonies. Don't forget to let us know if you have an event coming up!

September and October went by way too quickly. On any given day, you could see us running around and planning for Fall Muster. We have it down to a science now. We set up a tent for our Chapter, where we sold: Boiled peanuts, brownie bites, pickles, and t-shirts. Our Rosebud, Brayleigh is the best sales woman in the south! We actually sold out on Saturday and had to make a Sam's run after camps closed! Huge shout out to Ruthie, Needra, Tammy and Brayleigh, and Charlie for manning the tent for the weekend!

Ladies Tea was a big success again this year. We had our Georgia friend, Crystal Jump do her presentation on the Forrest Reinterment - which was wonderful (The microphone will be in the room next year!). During a head count, Michael counted 117 guests! That's the record to beat next year. If our Executive director has his way, that number will be doubled so stay tuned for big news!

Thank you so much to Mrs. Diana Pfingsten (Grey Roses #24) for helping us wash the dishes during the battle on Sunday. This is the hardest part because we do not have a dishwasher at Beauvoir and most of the dishes have to be hand washed.

270+ Pieces of china, 90+ pieces of silver, plus other dishes – She was a Godsend!

After Fall Muster, Brian (our Admin assistant and Graphic Designer) put together a moving Picture slideshow of the weekend. It can be found on the Ladies of Beauvoir group Facebook page, the Beauvoir page and THE NEW YOUTUBE CHANNEL! – Go subscribe and watch all of Brian's magic.

Please take a peak below at our upcoming events for the holiday season at Beauvoir! We can't wait to see you all soon! Come visit Beauvoir and keep our always growing dream alive!

In October the MAFOCR participated in a memorial service for Pvt. Elisha Edward at Mendenhall Cemetery as well as welcoming 6 new members.

We donated candy to Briar Hill Nursing Home and collected toys for Operation Family Blessing which provides toys to children of incarcerated parents in Rankin County.

Member Tara Bradley attended the service for U.S. Marine WWII Cpl. Quentin McCall who was killed in action at Tarawa Atoll, 23 November 1943.

Cpl. Quentin W. McCall was born 13 August 1920 in Union Church MS. He enlisted in the U.S. Marine Corps on 7 May 1942. His body was brought back to Mississippi for burial after he was located in a mass burial overseas.

Ladies also attended Fall Muster and helped our Host Camp with the Annual Turkey Shoot to raise money for projects at Beauvoir. It's been a busy month and we look forward to our upcoming Christmas events.

Grey Roses #24 – Florence, Ms.

The Grey Roses followed our SCV MECANIZED CALVERY CAMP 2278 to the sight of the Battle of the Big Black at Askew's Landing in Edwards, Ms.

Our Sister Michelle Mcelhenney enjoyed some fishing and had a great catch. She is definitely a fisherwoman.

In October we also went to the Lynyrd Skynyrd memorial. It's hard to believe that it has been 44 years.

If you have never been, I do recommend going. It is a beautiful monument to one of the greatest rock and roll bands ever, and it was a great ride also.

A perfect way to end October.

For the month of November, it's back to business for the Grey Roses ch 24. Lots of things in the making.

William P. Rogers #25 – Corinth, Ms.

Ladies of Col. W. P. Rogers will be honoring our SCV camp veterans by serving cake and punch. Our meal will be “donations only” for November’s camp meeting. If anyone wants to donate to the OCR chapter they can. We will be having a Christmas bazaar and silent auction at December’s camp meeting. We have been busy getting ready for, and coming up with, things to do this coming holiday season. We will be sponsoring the Angel Tree program for the little ones that don’t get picked. We are also taking donations of canned goods over the next few months for local church pantries. We have been asked to cook for the BG Mark Perrin Lowrey M.O.S.&B. Chapter’s Christmas meeting. We are looking forward working with them and providing them a good meal.

Social Media Policy

Social Media is a term that describes the engagement in internet-based social platforms that are visible to others. Social media tools allow for the creation and exchange of user-generated content. All social media is trackable, traceable, and discoverable. These networks include (but are not limited to):

- Audio/video sharing (podcasting, TikTok, YouTube, Webinars, Vimeo, etc.)
- Blogs and blog comments
- Commenting on news stories and other platforms online
- Document sharing (Dropbox, Scribd, Slideshare, etc.)
- Gaming sites
- Geotaging and review (Foursquare, Google Reviews, Nextdoor, TripAdvisor, etc.)
- Information sharing (Chat Rooms, Listservs, Forums, Message Boards, etc.)
- Micro-blogs (Twitter)
- Photo sharing (Instagram, Snapchat, Flickr, Pinterest, Photobucket, Shutterfly, etc.)
- Professional and social networks, and publishing platforms (Facebook, Forbes, Tumblr, WhatsApp, LinkedIn, Skype, etc.)
- Social bookmarking (Pocket, Reddit, etc.)

New platforms and applications for electronic devices (mobile, TV, PDA's, etc.) are being launched regularly. All of these increase the users' virtual footprint, introduce new business development, marketing, and public relation opportunities, and add to the amount of trackable, traceable, and discoverable information online. The Sons of Confederate Veterans believe the use of social media can support the transfer of information within membership, assist with recruitment and retention and promote the organization. We are aware of, and understand, how social media can affect relationships with membership, the media and those outside of our organization. We also understand social media is often used personally and not exclusively for the business of the organization.

The Sons of Confederate Veterans Social Media Policy provides guidelines for online behavior by members of our organization. As new tools are introduced, and new challenges emerge, the Sons of Confederate Veterans Social Media Policy will evolve to reflect those changes.

Individual Profiles

You are personally responsible for any online activity you conduct. We respect your right to privacy and free speech as they apply to online activity conducted on your personal social network and email address. However, what you publish on such personal sites should never be attributed to the Sons of Confederate Veterans and should not appear to be endorsed by or originated from the Sons of Confederate Veterans. If you choose to list your affiliation on a social network, then you should regard all communication on that network as you would in a professional network. Online lives are ultimately linked, whether or not you choose to mention the organization in your personal online networking activity.

Content and Language

- Never disclose or use proprietary, privileged, or confidential information in any form on online media.
 - Be respectful of personal privacy.
 - Obey the law. Do not post any information or conduct any online activity that may violate applicable local, state, or federal laws or regulations.
 - Do not post anything using the Sons of Confederate Veterans logos, trademarks, flags, etc. with racist or inflammatory remarks.
 - Be wary of hostile communications. If a reporter, blogger or any other online influencer posts a statement with which you disagree, and you feel a comment is warranted, be very careful in your use of words. Vulgar or derogatory language should be avoided at all cost. In some states, online harassment is a misdemeanor or a felony.
 - Responding to the media requires approval. If you are contacted directly by a journalist regarding issues pertaining to the Sons of Confederate Veterans, bring the inquiry to the attention of an officer.
- Nondiscrimination and Anti-Racism The Sons of Confederate Veterans will not tolerate discrimination and racism. Any online discourse in violation of our nondiscrimination and anti-racism policy, including shared content online, maybe be cause for disciplinary action up to and including expulsion.

Consequences for Violating Social Media Policy

If anyone is found to have violated the Sons of Confederate Veterans Social Media Policy, appropriate disciplinary action up to and including expulsion may be taken.
